Dear Joel:

Just left you a message re this issue. We accidentally filed a second copy of our MPI reply brief (att'd) instead of our brief in response to your motion to DM on 03/28/2023. The correct response brief is attached. We just noticed this error late last night.

We plan to file a motion to correct this mistake today. We have no objection to Defendants filing an amended reply brief and will so state in our filing. Please tell us your position on this motion. If we do not hear back from you in the next few hours, we will file the motion to avoid further delay, and indicate our attempts to reach you.

Thanks.
